*has all the answers
to your location needs!*

The latest branched from Konami, WIZZ QUIZ is the bright new trivia game that's as much fun as it is challenging! **Real 2-player interaction with both players answering the same questions in head-to-head competition**... and against the clock... adds a whole new dimension to game play! Amused wizards who get crowned with dunce caps when the player answers incorrectly, fanfares and special sound effects all add to the excitement!

The WIZZ QUIZ kit is **Konami-complete**, including sub-board, side decals, control panel overlay and buttons, plexiglas header and instruction manual, and easily **converts any Track & Field P.C.B. with simple installation of a sub-board**. The game poses **thousands upon thousands of questions from five popular categories**, with even more to be available later for specific tailoring of the game to location needs!
